In The Know!

Happy Birthday wishes to Dana Haynes/April 4th and Margie Mooney/April 7th.

On April 6, 2006 from 2-4:00 p.m. in FMHI Rm. MHC 1329, the Dept. of Mental Health Law & Policy at FMHI will be sponsoring a colloquium titled “Understanding the Consequences of Divorce: Nuances and New Research Paradigms” featuring University of Virginia Professor, Robert Emery, Ph.D. Dr. Emery is one of the leading authorities on the effects of separation and divorce on children and families, as well as interventions that may help ameliorate the negative effects of such. Please RSVP to Debby Morriss at 974-6313.

Research Happenings!

Attention Clinicians: A 6-week clinical research trial is being conducted to evaluate the safety and efficacy of an investigational medication in patients with Bipolar I Disorder who are currently depressed. Patients must be at least 18 years of age. All study-related procedures and medications will be provided to patients at no charge! Please call (813) 974-1404 for more information on this study.
