In The Know!

• Happy Birthday wishes to Suzie Wade/January 27th
• Congratulations to Dr. Anjali Nirmalani and Dr. Lucky Dore who matched into the Child and Adolescent Psychiatry Residency Program here at USF. Dr. Brad Freeman also matched and will be doing his child and adolescent training at the University of South Carolina in Columbia, South Carolina. They will start their child and adolescent training in July 2006.

Research Happenings!

Attention Clinicians: If you have patients with schizophrenia who have persistent negative symptoms, please call (813) 974-1404 to get more information on a 6-month study being conducted to evaluate the effectiveness of an investigational medication for the treatment of these symptoms. Patients must be at least 18 years of age. All study-related procedures and medications will be provided to patients at no charge!
