Limited Scholarships Available!

Scholarship Request Applications due no later than March 2, 2009.

### WHO SHOULD ATTEND

We welcome participants from around the world, and focus our offerings towards those who are healthcare professionals, or involved in pastoral and hospice care, or academic and bioethics research. Our speakers are leaders in bioethics, many of whom authored seminal works in the field. The IBC provides a setting where discussion and learning enrich each participant as we debate the pressing issues of the day.
